

The August Deal is the ultimate in boating incentives

Pay in full your fees for next season and remain at the marina for the balance of the current season for free! A typical boating season begins May 1st and ends April 30th of the following year allowing for 6-months of dockage and dryland storage. If you choose the August Deal, **your fees will be paid from August 1st, 2010 until April 30th, 2012.**

Therefore, you will receive a season and a half of dockage, and two periods of outside winter storage for the price of one!

The August Deal includes:

- Summer dockage
- Dryland storage
- Unlimited pump-outs at the Gas Dock
- Dockside hydro and water (if applicable)
- Vehicle parking
- Use of all the marina's facilities and privileges
