

## ON-LINE ACCOUNT PAYMENTS @ DORAL MARINE RESORT

In today's electronic environment every company is looking at ways to not only serve our customers better but also smarter. It has been suggested by several Doral Boaters that we introduce Internet Banking On-Line payments. After a long and lengthy process of collecting and signing the appropriate documentation we have managed to enroll with the following banking institutions;

- 1) Royal Bank of Canada
- 2) Bank of Montreal
- 3) TD Canada Trust
- 4) CIBC
- 5) Bank of Nova Scotia

You will have to add Doral Marine Resort to your payee list and you will also need to add your eight digit customer number which is in the upper left corner of your invoice. In some cases your customer number may be less than eight digits and if this is the case enter the customer number as it appears on your customer invoice. If in doubt of what your customer number is, please give us a call or send us an email.

We know everyone is pressured for time and often taking the time to either phone us with a credit card number or write a cheque, then mail the cheque, is often at the bottom of everyone's "to do list". By instituting the on-line payment option we are hoping to make at least a little more time for you to enjoy beautiful Georgian Bay and to also assist everyone to abide by our credit terms.

If we can be of any assistance in helping you get set up for on-line payments it would be our pleasure to help.
